If BMC provides Customer with any beta, alpha, or other preliminary version of BMC software product and/or subscription service ("<u>Pre-Release Code</u>") in the course of a Customer Program, the terms of Attachment A to this Agreement will govern Customer's use of such Pre-Release Code.

Attachment A Prerelease Attachment

The Prerelease Code is still under development and testing. BMC has not made any Prerelease Code generally available as a formal BMC software product to its customers. Customer should not place any Prerelease Code into a production environment.

Prerelease Code: The BMC beta, alpha, or other preliminary version of the software product and/or subscription service for which a temporary license and/or access right is being granted in accordance with terms of this Attachment.

Technology: The Prerelease Code, solution, and/or demonstration environment being installed, accessed and/or used by Customer pursuant to the terms of this Attachment, and all related software, systems, platforms or networks.

1. <u>PRE-RELEASE ACCESS RIGHTS</u>. Subject to the terms of this Attachment, BMC grants Customer, from time to time and effective upon each delivery of Technology, a non-exclusive, non-transferable, temporary right to access and use the Technology delivered to Customer by BMC, in accordance with all the terms of this Attachment, solely for the purpose of performing internal testing of the Technology. Customer may not access or use the Technology if it is a direct competitor of BMC, except with BMC's prior written consent.

2. **<u>RESTRICTIONS ON USE</u>**. Customer will not: (a) operate or use any Technology in any manner other than as set forth in the prerelease license above; (b) use the Technology to process production data, or for development, commercial, production, or database management purposes; (c) use the Technology with data or information that has not been backed up; (d) modify, copy or create derivative works based on the Prerelease Code; (e) create Internet "links" to or reproduce any content forming part of the Prerelease Code, other than for its own internal non-production business purposes; (f) use any components provided with the Technology separately from the Prerelease Code; (g) attempt to gain unauthorized access to the Prerelease Code or its related software, systems, platforms or networks; (g) modify, delete or remove any ownership, title, trademark, patent or copyright notices ("Identification") from any Technology; (h) copy the Technology for any purposes, except to the extent expressly permitted by applicable law or treaty notwithstanding this limitation; (i) disassemble, reverse engineer, decompile or otherwise attempt to derive any Prerelease Code source code from object code or access it in order to copy any ideas, features, content, functions or graphics of the Prerelease Code, except to the extent expressly permitted by applicable law despite this limitation without possibility of contractual waiver; (j) sell, distribute, rent, lease, sublicense, display, modify, time share, outsource or otherwise provide the Prerelease Code to any third party or use it in a service bureau, outsourcing environment, or for the processing of third party data; (k) access the Prerelease Code for purposes of monitoring its availability, performance or functionality, or for any other benchmarking or competitive purposes; (I) release any results of performance tests related to Prerelease Code to any third party without BMC's prior written consent; (m) attempt to disable or circumvent any of the licensing mechanisms within the Prerelease Code or Technology; (n) interfere with or disrupt the integrity or performance of the Prerelease Code; (o) send or store infringing, obscene, threatening, libelous, or otherwise unlawful or tortuous material via the Prerelease Code; or (p) send or store viruses or malicious code via the Prerelease Code; (q) violate any other usage restrictions contained in the Documentation. Customer is responsible for maintaining the confidentiality of any passwords assigned to Customer. Customer will immediately notify BMC if it becomes aware that a password is lost, stolen, disclosed to an unauthorized third party, or otherwise compromised. Customer will be responsible for any and all activities under Customer's account and/or using Customer passwords. Customer will (i) use commercially reasonable efforts to prevent unauthorized access to, or use of, the Prerelease Code, and notify BMC promptly of any such unauthorized access or use, and (ii) comply with all applicable laws in using the Prerelease Code.

3. <u>NO WARRANTY AND LIMITATION OF LIABILITY.</u> THE TECHNOLOGY IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT ANY WARRANTY, INCLUDING WITHOUT LIMITATION NO IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY, OR NON-INFRINGEMENT. NEITHER BMC, NOR ITS AFFILIATES, SUPPLIERS OR LICENSORS ARE LIABLE FOR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES FROM ANY CAUSE ARISING OUT OF OR IN ANY WAY CONNECTED WITH THE USE OF THE TECHNOLOGY OR THIS ATTACHMENT. BMC'S, ITS AFFILIATES', SUPPLIERS' AND LICENSORS' LIABILITY FOR DIRECT DAMAGES RESULTING FROM THE USE OF THE TECHNOLOGY OR THIS ATTACHMENT IS LIMITED TO USD \$500.

4. <u>TERMINATION</u>. The rights granted in Section 1 of this Attachment terminate on the earlier of (i) 90 days after Customer's receipt of the Technology, or (ii) immediately upon BMC's notice to Customer of its termination for convenience. Upon such termination: (a) Customer will immediately cease using the Technology; (b) if Customer has installed the Prerelease Code on its system, then Customer will delete it immediately; (c) if Customer is accessing the Prerelease Code via an Internet-based demonstration site, BMC may disable Customer's access; and (d) BMC may permanently delete all data input or imported into the Prerelease Code during the trial period. If a generally available product ("<u>GA Product</u>") is announced that replaces Prerelease Code and Customer desires to acquire the rights to use that GA Product, Customer must purchase such rights for such GA Product under the then-current terms with BMC or its appropriate subsidiary or affiliate.

5. <u>U.S. GOVERNMENT END USER RIGHTS.</u> This Section applies only to acquisitions of the Technology subject to this Attachment by or on behalf of the United States Government, or by any prime contractor or subcontractor (at any tier) under any contract, grant, agreement or other activity with the United States Government. When Technology is delivered or provided to the United States Government, the United States Government agrees that this commercial license agreement and the Technology governed by this Attachment are defined in accordance with and qualify as "commercial items" consisting of "commercial computer software" and "commercial computer software documentation" as outlined in FAR 12.211, FAR 12.212 and DFARS 227.202-3, as applicable. The terms and conditions of this Attachment shall pertain to the United States Government's use (including documentation or technical data), duplication, and disclosure of the Technology, and shall supersede any conflicting contractual terms and conditions.

6. <u>NO GUARANTEE AS TO NEW VERSIONS</u>. Customer acknowledges and agrees that BMC is under no obligation to provide any maintenance releases, updates or new versions of the Technology. BMC does not guarantee that the Prerelease Code will become a GA Product. If a GA Product is announced replacing the Prelease Code, BMC does not guarantee that the GA Product will be similar in functionality to the comparable Prerelease Code. This Attachment creates no obligation on behalf of Customer to purchase a license or access rights to any GA Product, or for BMC to provide any GA Product to Customer.

7. <u>MISCELLANEOUS TERMS</u>. The Prerelease Code may contain third party software which is delivered to Customer as part of the Prerelease Code and may not be taken out of the Prerelease Code or used separately from the Prerelease Code and for which additional terms may be included in the Documentation. The Prerelease Code may contain hyperlinks to websites controlled by parties other than BMC. BMC is not responsible for and does not endorse the content or accept any responsibility for Customer's use of these websites. Customer should refer to the policies posted by other websites regarding data privacy and other topics before using them. Both Parties agree to comply with applicable export regulations, including but not limited to U.S. Export Administration Regulations and the OFAC embargoes and sanctions list.
